**GENERAL ALLEGATIONS**

7. Since at least as early as 1987, Neotech has been in the medical devices industry, particularly for neonatal products for nurses, doctors, and parents, including the development, manufacture, and distribution of aspirators.

8. Plaintiff Neotech is informed and believes and on that basis alleges that Defendant Sandbox is engaged in the business of developing, manufacturing, and/or distributing medical products, including suction devices, e.g., aspirators, that substantially copy product designs and features used by others in the medical device industry.

**FIRST CAUSE OF ACTION**

(Infringement of U.S. Patent No. 6,958,050)

9. Plaintiff Neotech incorporates by reference the allegations contained in paragraphs 1-8 above.

10. Plaintiff Neotech is the owner of the entire right, title, and interest in and to United States Patent No. 6,958,050 (“the ‘050 Patent”) for a Nasal/Oral Aspiration Device. The ‘050 Patent was duly and legally issued by the United States Patent Office on October 25, 2005 and is valid, subsisting, and in full force and effect. A copy of the ‘050 Patent is attached to the Complaint as Exhibit A.

11. Plaintiff Neotech is informed and believes and on that basis alleges that Defendant Sandbox has had knowledge of the ‘050 Patent, and of the Neotech’s rights therein, at least as early as April 2015.

12. Plaintiff Neotech is informed and believes and on that basis alleges that Defendant Sandbox has directly infringed the ‘050 Patent in violation of at least 35 U.S.C. § 271(a) by, itself and/or through its agents, unlawfully and wrongfully making, using, importing, offering to sell, and/or selling various forms of a multipurpose suction device embodying one or more of the inventions claimed in the ‘050 Patent, within

1 and/or from the United States without permission or license from Neotech, and will  
2 continue to do so unless enjoined by this Court.

3 13. Examples of Defendant Sandbox's multipurpose suction device products  
4 that directly infringe the '050 Patent include, but are not limited to, the Boogie Baby  
5 Nasal Aspirator having a preemie tip or a standard tip. Such products infringe at least  
6 claims 1 and 3-10 of the '050 Patent. A copy of Defendant Sandbox's website showing  
7 the Boogie Baby Nasal Aspirators is attached to the Complaint as Exhibit B.

8 14. Plaintiff Neotech is informed and believes and on that basis alleges that  
9 Defendant Sandbox has contributed to the infringement of the '050 Patent in violation of  
10 at least 35 U.S.C. § 271(c) by, itself and/or through its agents, contributing to the direct  
11 infringement of the '050 Patent by its customers by unlawfully and wrongfully making,  
12 using, importing, offering to sell, and/or selling various forms of a multipurpose suction  
13 device having no substantially non-infringing use, which, when purchased and/or used by  
14 its customers, result in direct infringement of one or more embodiments of the inventions  
15 claimed in the '050 Patent, within and/or from the United States without permission or  
16 license from the Plaintiff, and will continue to do so unless enjoined by this Court.

17 15. Examples of Defendant Sandbox's multipurpose suction device products  
18 that have no substantial non-infringing uses and that contribute to the direct infringement  
19 of the '050 Patent include, but are not limited to, the Boogie Baby Nasal Aspirator having  
20 a preemie tip or a standard tip. Such products contribute to the infringement of at least  
21 claim 2 of the '050 Patent.

22 16. Plaintiff Neotech is informed and believes and on that basis alleges that  
23 having knowledge of the '050 Patent, Defendant Sandbox has been aware that its Boogie  
24 Baby Nasal Aspirator having a preemie tip or a standard tip, when purchased and/or used  
25 by its customers, will result in direct infringement of one or more of the inventions  
26 claimed in the '050 Patent. Defendant Sandbox states on its website  
27 ([www.sandboxmedical.com](http://www.sandboxmedical.com)) that the Boogie Baby Nasal Aspirator is an "economical &  
28 easy to use oral & nasal suction device" and describes the products as "a non-invasive

1 suction device.” In addition, the packaging for Defendant Sandbox’s Boogie Baby Nasal  
2 Aspirators instructs users to “connect to standard suction line” and “set suction pressure  
3 and use per hospital protocol”.

4 17. As such, Defendant Sandbox knows that its Boogie Baby Nasal Aspirators  
5 have no substantial non-infringing uses other than to provide users with the ability to  
6 operatively connect a suctioning source in a way that infringes at least claim 2 of the ‘050  
7 Patent, and therefore that they are especially made or adapted for use in infringement of  
8 the ‘050 Patent.

9 18. As a direct and proximate result of the foregoing acts of Defendant Sandbox,  
10 Plaintiff Neotech has suffered, and is entitled to, monetary damages in an amount not yet  
11 determined. Plaintiff Neotech is also entitled to its costs of suit and interest.

12 19. Defendant Sandbox’s continuing infringement has inflicted and, unless  
13 restrained by this court, will continue to inflict great and irreparable harm upon Plaintiff  
14 Neotech.

15 20. Plaintiff Neotech has no adequate remedy at law. Plaintiff Neotech is  
16 entitled to preliminary and permanent injunctions enjoining Defendant Sandbox from  
17 engaging in further acts of infringement.

18 21. Plaintiff Neotech is informed and believes and on that basis alleges that this  
19 is an exceptional case insofar as the conduct of Defendant Sandbox was unreasonable,  
20 undertaken in subjective bad faith, and/or intentional or with reckless disregard as to  
21 infringement of the ‘050 patent. Plaintiff Neotech is entitled to its reasonable attorneys’  
22 fees pursuant to 35 U.S.C. §285.

23  
24 **PRAYER FOR RELIEF**

25 Plaintiff Neotech requests entry of judgment that:

26 A. The ‘050 Patent is valid and enforceable;

27 B. Defendant Sandbox is liable for infringement of the ‘050  
28 Patent under at least the provisions of 35 U.S.C. § 271(a) and/or (c);

1 C. Defendant Sandbox and all affiliates, subsidiaries, officers,  
2 employees, agents, representatives, licensees, successors, assigns, and all  
3 those acting in concert with, or for or on behalf of Defendant Sandbox, shall  
4 be enjoined from infringing the '050 Patent;

5 D. Defendant Sandbox shall pay damages to Plaintiff Neotech  
6 resulting from Defendant Sandbox's patent infringement pursuant to 35  
7 U.S.C. § 284;

8 E. Plaintiff Neotech be entitled to prejudgment interest and  
9 post-judgment interest on the damages; and

10 F. The present case be judged an exceptional case within the  
11 meaning of 35 U.S.C. §285 and that Plaintiff Neotech be awarded its  
12 reasonable attorneys' fees and costs pursuant thereto;

13 G. Plaintiff Neotech be awarded such other and further relief, in  
14 law or in equity, as the Court deems just, equitable or appropriate.
